

SEVEN HILLS
BEER
FESTIVAL

EVENT PROGRAMME

Happy 5th **Seven Hills Beer Festival** everyone and a warm welcome from the organisers and hosts here at Sheffield Tigers RUFC!

We'd like to thank you for coming, whether it's anywhere between your first time or fifth time and hope you have a top bank holiday weekend. Special thanks go to our sponsors and particularly those that have been with us since the outset - Dore Garden Offices, Little Fire, DesignXY, Fellas, Simpkins, Encore Labels and Chemisphere - none of us would be here without their support.

Our cask mark quality, temperature controlled cellar will be providing a fabulous range of 30+ beers - IPAs, pale ales, lagers, bitters, stouts, porters etc and more ciders than ever. Oh and a fully stocked indoor bar with free drinks for the kids. Make sure you score your drinks via the QR code to choose our champion beers for 2026.

We are in for our greatest weekend of rugby to date as Sheffield Tigers welcome our most local of rivals - Sheffield RUFC as both clubs get ready for their National League campaigns. It's also the Second Tigers Walking Rugby Competition on Sunday with cup and shield trophies up for grabs.

It is said that an army marches on its stomach and the same is true for beer festivals, with Bradway Quality Meats and Deli providing a range of dishes throughout the event and Steel City Pizzas are back again with their fabulous wood fired pizza oven (there are snacks available to see you through between meals too!).

Helping shape the atmosphere of the festival will be our range of musical artists - mostly new to 7hills and all recommended. We have acoustic and loop artists across Friday and Saturday, with the band Indie.cision playing us out Saturday night before Dore Male Voice Choir take centre stage for a relaxing Sunday afternoon. Don't forget our Sunday tea time pub quiz and there's loads of things to keep the kids entertained too.

This is the club's largest fundraising event so thanks for supporting it through your patronage and the various prize winning opportunities across the weekend - predict the score, guess the club, wine cooler raffle and most importantly our social media like / share / follow cash prize competition.

Have a great visit, tell your friends and family about us and hope to see you at Tigers again soon.

Cheers! Gary, Adam, Greg, Simon(s), Ted & Kev

Little Fire
Digital Ltd

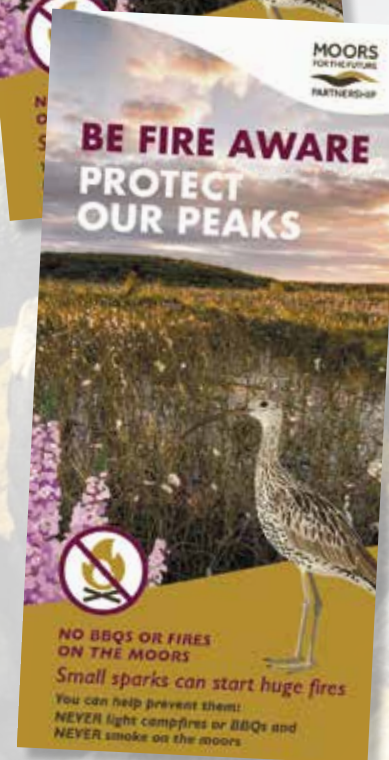

The moorlands across the Peak District and South Pennines provide vital benefits – storing carbon and water, reducing flood risks and offering critical habitats for rare wildlife. However, wildfires pose a severe threat to these landscapes. They burn deep into peat, release stored carbon, devastate ground-nesting birds and destroy plant life. Grasses dry out in just an hour on warm or windy days, meaning a single spark can easily trigger an underground blaze that smoulders unseen for weeks.

How You Can Help

- **No flames:** Never use barbecues, light campfires or smoke on or near the moors.
- **Leave no trace:** Take all litter home, including glass bottles.
- **Follow guidance:** Obey local fire safety signage year-round.
- **Act quickly:** call 999 immediately if you spot a suspected wildfire; never assume someone else has reported it.

Scan the QR code to learn more about Moors for the Future Partnership's conservation work or pick a leaflet at the festival.
